

**Kim Becking Sample Intro
(To Be Personalized Upon Booking)**

Let me begin by asking a few questions:

- Do you wish you had less stress and overwhelm when facing challenges and adversity in your life?
- Are you ready to boost your energy, be more productive and rock any change that is thrown your way?
- Could you use some tips on how to develop a Momentum Mindset when facing change and adversity - a mindset that will propel you further faster, stronger and better than before?

If you answered yes to any of those questions, then you are in the right place.

- Our speaker today is a best-selling author who has been featured in national media such as *People*, *SELF*, *The New York Times*, *USA Today*, *Good Morning America* and *Lifetime Television* for her expertise on change and resilience.
- As an attorney, serial entrepreneur, and communications strategist, Kim has conquered the ever-changing tough worlds of business, government, and politics. She's also conquered breast cancer.
- Kim is a smart cookie – smart enough to know that recovery is important - she is now a “recovering attorney” and a “recovering political consultant”.

When not speaking and teaching others how to conquer change, boost their resilience and create momentum in their life and business, Kim can be found attending Mizzou (pronounced Ma-zoo) sporting events in the college town she calls home or serving as the personal Uber driver for her 3 busy teenage kids.

Please join me in welcoming from Columbia, Missouri...Motivational speaker, Author and lover of Thin Mint Girl Scout Cookies (PAUSE) (something else she may be in recovery for soon) **Kim Becking!**
